MALANDA

STATE HIGH SCHOOL

2026

Dear Parent/Carer,

Welcome to Malanda State High School. I am very confident that as a parent you will find our school one of high quality. Our enrolment system comprises of two stages:

Stage 1

Completion of the following documents (attached):

- 1) Student Enrolment Form – proposing enrolment at Malanda SHS
- 2) Enrolment Agreement
- 3) Work Place Health and Safety Document – Student Participation and Safety Contract.
- 4) *Optional* – Application for Membership for P&C
- 5) *Optional* – Tuckshop volunteer form

Stage 2

Parents / Carers must attend an enrolment appointment for all students before commencing. At this meeting plans are made for the student's commencement, subjects discussed and any concerns can be shared with the Head of Student Support for the applicable year level. Appointments are pre-booked and can be made by phoning the main office on 40967111 and speaking with the Enrolments Officer. Please bring all requested documents including 'proof of residency' documents (1 Primary document, 1 Secondary document and 1 Additional document) as per Malanda State High School Enrolment Management Plan.

Stage 3

Once signed up to QParents you will need to complete the following:

- 1) State School Consent Form for the use of copyright material, image, recording, name and personal information
- 2) Internet and School Network and Agreement Form – covering use of the school's computer network and computers
- 3) Medical/Health Information Consent
- 4) The Student Resource Scheme 2027 Participation Agreement Form – the aim of the scheme is to ensure that all students have access to the resources which they need to enhance their learning. This scheme is approved yearly by the P&C and the contribution amount is set.

The Student Resource Scheme 2027 contribution will be released in November 2026 once the Student Resource Allowance is advised to schools and the P&C have decided upon the Parent/Carer part of the contribution reviewing the scheme during Semester 2 of 2026. Membership of the Student Resource Scheme is voluntary, however, the saving to you as a Parent/Guardian, far outweighs the cost of the resources provided by the Scheme.

In addition to the Student Resource Scheme Contribution, there are subject charges for individual subjects – see the Resource List 2026 (Note these amounts will likely change in 2027). These subject charges cover any consumable materials, on-line digital library, specialised computer software and printing and is available toward the end of the school year.

An invoice covering the Student Resource Scheme and the subject charges will be sent to parents in early Term 1, 2027 shortly after school commences.

We look forward to meeting your child and ensuring Malanda SHS does everything possible to make your child successful.

Kind Regards

Natasha Lyndon

Application to enrol in a Queensland state school

This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).

Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the *Education (General Provisions) Act 2006 (Qld)*, and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education. Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

Gender

Information about gender is supplied to the Federal Government to comply with State funding agreements. The gender category with which a person identifies may not match the sex they were assigned at birth. There is no requirement for a student's gender recorded on this form to align with the sex shown on their birth certificate or passport.

Religious Instruction

Religious instruction is a program approved and provided by a religious denomination or religious society. Other instruction relates to part of a subject area that has been covered within the curriculum and may include, but is not limited to, personal research and/or assignments, revision of class work, and wider reading. Information about religious instruction available at the school, and about other instruction, is provided by the school at the time of enrolment and on the school's website.

MALANDA STATE HIGH SCHOOL

SCHOOL ENROLMENT MANAGEMENT PLAN

Overview

Malanda State High School recognises as its prime obligation, the provision of access to an appropriate educational service for students whose principal place of residence is within the school's catchment area.

Because of enrolment capacity and growth Malanda State High School may be unable to meet this obligation in the future, unless action is taken to manage enrolments. The Principal must restrict the enrolment of out-of-catchment students to ensure in-catchment students can enrol at their local state school, without requiring additional facilities.

This School Enrolment Management Plan (School EMP) sets out the conditions under which students may be enrolled into Malanda State High School, subject to any other requirements or limitations in:

- the [Education \(General Provisions\) Act 2006 \(the Act\)](#)

This School EMP is supported by:

- [Enrolment in State Primary, Secondary and Special Schools procedure](#)
- [School Enrolment Management Plans \(School EMPs\) procedure](#)

Student Enrolment Capacity of School

Malanda State High School has a maximum Student Enrolment Capacity of 724 students.

Local Catchment Area

A school's local catchment area is the defined geographical area from which the school is to have its core intake of students.

Malanda State High School operates under a negotiated catchment area.

The school's catchment map is available to be viewed at either the school's administration building or online at <http://www.qgso.qld.gov.au/maps/edmap/>.

Malanda State High School is adjacent to Herberton State School which only provides schooling from Years Prep to 10. Therefore Malanda State High School provides Year 11-12 to a wider catchment area. This means that the school has two different catchment areas – i.e. one for junior secondary (for Years 7-10 or Years 8-10) and another for senior secondary (Years 11-12).

Enrolment Policy

Students within catchment:

Any student, whose principal place of residence is within the school's catchment area/s, is (subject to the *Education (General Provisions) Act 2006*) entitled to enrol at the school. The school Principal will reserve places for students who move into the catchment area throughout the school year.

Parents or legal guardians who wish to enrol their child at the school will need to demonstrate that the student's principal place of residence is within the catchment area. Current proof of residency at the address indicated can be provided by way of one of each of the following:

- One primary source – a current rental/lease agreement, or rates notice, or unconditional contract of sale; **and**
- One secondary source – a utility bill (e.g. electricity, gas) showing this same address and parent's/legal guardian's name.

If the Principal is not satisfied that the documentation provided by an applicant demonstrates adequately that the address stated is the student's principal place of residence, then **the Principal may request further sources of proof of residency**. Examples may include (but are not limited to):

- Additional utility bills (e.g. water bill) or a series of bills at for the same address over a sequential period to demonstrate continued/ongoing residency
- Electoral Roll verification letter
- Mobile phone statement (with current address details)
- Statutory Declaration
- Driver's Licence (with current address details)
- Bank statement (showing current address details; financial details are not required)
- Tax Assessment Notice (financial details are not required)

- Documents demonstrating recent change of address / re-location to within the school's catchment area (e.g. proof of sale or termination of lease for the previous principal place of residence in a different catchment).

The Principal may also request a properly sworn Statutory Declaration from the enrolling parent or legal guardian attesting that the student's principal place of residence is the place nominated in the enrolment application.

In addition to the documents listed above, students living with a relative/other person within catchment **must** provide the following:

- Properly sworn Statutory Declaration from the student's parent/legal guardian; and
- Properly sworn Statutory Declaration from the person/s the student will be residing with in-catchment.

The Principal may also request additional pieces of proof of residency and interview/s with all parties to discuss the living arrangement.

Applicants should note that a false statement/assertion about the student's principal place of residence may amount to an offence and may be reported to police. The school Principal may repeal a decision to enrol a student in such circumstances.

Other students who are entitled to enrol as if in-catchment:

The following groups of students will be entitled to enrol, even though they may reside outside the school's catchment area:

- Children and young people who are subject to child protection orders that grant guardianship or custody to the Chief Executive Officer of the Department of Communities, Child Safety and Disability Services (Child Safety Services)
- Siblings** of current students at the school (excluding siblings of Program of Excellence students and siblings of students who were placed at the school as a result of exclusion from another school). Where a school has both a primary and secondary campus, siblings are only entitled to enrol in the same campus as the currently enrolled student
- Students who (during school term) reside at the school's boarding facility
- Students whose parent or legal guardian is employed by the school
- Students who live outside the catchment area and are verified with a disability can enrol in the school to attend the specialised disability program if it is the closest program to their home and meets their individualised needs
- Students whose principal place of residence is further than 55km to their nearest state school are entitled to enrol at any neighbouring school
- Students who have been excluded from another school, dependent upon the conditions related to the exclusion, subject to agreement of the Regional Director
- Students in remote/regional locations who access a School Transport Assistance Scheme (STAS) bus service, provided by the Department of Transport and Main Roads (DTMR), to travel to their closest school, as determined by the DTMR bus route.

**To be accepted under the sibling provision, the:

- i. applicant must meet the definition of sibling in the School EMP procedure;
- ii. enrolled sibling must not have been enrolled in a Program of Excellence at the school (i.e. siblings of POE students are not automatically entitled to enrol); and
- iii. intended enrolment commencement and/or attendance of the sibling must be concurrent with the attendance of current student for the application to be valid. For example, if the applicant will be commencing in 2016, but the current enrolled sibling finishes school in 2015, then the application will not be valid.

Out-of-Catchment application

Applications from any other person, not meeting the criteria outlined above, is an out-of-catchment application. Enrolment of students from outside the local catchment area is restricted to ensure that enrolments do not exceed the Student Enrolment Capacity. This school can only enrol out-of-catchment students:

- I. if there is sufficient spare capacity after reserving places for students who move into the catchment during the year; and
- II. after taking into account the school's projected future enrolment growth.

Out-of-catchment students applying for enrolment at this school are placed on a waiting list, assessed in order of receipt and prioritised as follows:

✓ **For secondary schools with a wider catchment area for Years 11-12:**

- Students who live within the senior secondary catchment but not within the junior secondary catchment.

✓ **All other out-of-catchment enrolment applications.**

Fees

Under the Department's [State Education Fees procedure](#), a principal of a state school with an approved School EMP is able to charge a fee for recouping costs of enrolment processing (subject to consultation with the Parents and Citizens' Association) where:

- the enrolment management plan permits the enrolment of a student living outside the catchment area based on cultural, sporting or academic merit, and
- the significant number of prospective students living outside the catchment area and applying to enrol results in abnormal administrative costs to the school, for example, enrolment examination supervision and marking.

Acceptance and Assessment Process

Out-of-catchment enrolment applications will be recorded on a waiting list in order of receipt, by date and time. These applications will remain current only for the school year in which they are applying to enrol.

Decisions on Enrolment

The Principal is responsible for all decisions on enrolments.

Where a Principal forms a preliminary view that an application will not succeed, applicants will be notified in writing. Applicants may respond to the Principal's preliminary view by making a submission to the Principal, no later than seven (7) school days after receiving the preliminary view letter.

If no submission is received, the Principal's preliminary view will be treated as the final decision and no further notice will be provided.

If a submission is received, the Principal will consider the submission and make a final decision. A final decision notice will be provided to the applicant as soon as is practicable. There is no internal review of the Principal's decision.

Gazettal Date

This updated version of the School Enrolment Management Plan for Malanda State High School was gazetted on 10 May 2024.

The School EMP is internally reviewed each year, and if required, updated to reflect any changes to Student Enrolment Capacity and/or Programs of Excellence.
