MALANDA STATE HIGH SCHOOL Community Business Partnership Agreement

Context: A partnership agreement is a "good will" agreement intended to be mutually beneficial to both the school staff and or students and the business partner.

Partnership members: **Malanda Medical Care and Malanda State High School**

Partnership Outline: In recognition of the wonderful student success experienced at Malanda SHS, both the owners of Malanda Medical Care and the school administration acknowledge the tremendous contribution made by the staff at our school. As such, the contribution by this community business is to focus on the wellbeing of staff members at the school.

Period of Agreement: 2020 -2024 **Review date:** 13/06/2024

Partner Managers: Dr Catriona Arnold-Nott and Dr Peter Arnold-Nott

School Contact: Gary Toshach (Principal)

School Obligations

- Implement strategies designed to maintain and improve a positive staff wellbeing focus.
- Acknowledge the tremendous support of this local business through a partnership agreement on display in the school Hall of Honour

Business Obligations

- The Malanda Medical Care has kindly donated a sum in excess of \$5500 toward staff wellbeing-focussed projects, resources or activities as determined and deployed by the school leadership team.
