Principal's foreword

Introduction

The School Annual Report for Malanda SHS contains an overview of data from students, parents and staff for the 2014 school year.

The purpose statement of Malanda State High outlines that *"...Within a supportive environment, we ensure all of our students develop the literacy and numeracy skills in junior secondary, that will enable them to successfully meet our Service Commitment within the senior secondary years"*.

As a consequence, our school works with all students in their early years so as to ensure they develop 'the passports for life' – that is, pronounced literacy and numeracy skills. Thereafter in each new year, Malanda State High publically re-affirms that it is committed to serve the local community in ways that guarantee positive outcomes not only for all of the students enrolled at the school, but also the broader community as a whole. This approach is encapsulated in a *Service Commitment* to every student and their families; a commitment that aims to ensure that 100 per cent of students at Malanda State High graduate each year as confident and capable young Australians, and specifically achieve:

- A Queensland Certificate of Education; and/or
- An appropriate Overall Position (OP) rank that enables university entrance, and/or
- a clear Vocational Education and Training (VET) pathway to employment, and/or
- the skills to achieve direct employment post school; and/or
- alternative pathways for some students with special needs; and
- an attendance record in excess of 90%.

School progress towards its goals in 2014

Malanda SHS's priorities for 2014 are based on the regional priorities of:

1. Improving teaching
2. Refining and embedding data based decision making
3. Refining and embedding Planning and Accountability Systems at all leadership levels
4. Connecting parents and caregivers to their children's learning.

2014 was yet another successful year for Malanda High in the academic, vocational, cultural and sporting areas. Academically our students performed very strongly across all year levels with the embedding of explicit teaching in classrooms and C2C (National Curriculum) taught in the Junior School. Vocationally, our students have increasingly taken advantage of the significant partnerships that our school has developed with other RTO's - many of which have led to direct employment both in the local area, and in cities and states across the nation.

The Data (NAPLAN results and Year 12 Outcome results in particular) has shown that students at Malanda SHS outperform other schools in the FNQ Region and across the state.

On the sporting fields our individuals and teams excelled, achieving results of the highest order, especially considering our relatively small student population. Culturally, our students engaged in a range of functions and pursuits in the Arts, including our successful musical performances, an ANZAC Day ceremony, and strong links with our local RSL sub-branch.

The school's Web Page has been developed further with a parental focus and an email communication system to parents is in place.

Planning and Accountability Systems were developed in 2014 in preparation for the Year 7's transitioning to the High School in 2015. A Junior School with a distinct identity was established and operational for the beginning of 2015. Structural changes occurred with the establishment of separate and distinct Senior and Junior staffrooms and classrooms. The roles of Heads of Departments are aligned with the new structure with Heads of Education Services and Heads of Student Support for both the Junior and Senior Schools. The student leadership structure was amended to allow for the development of student leadership in the Junior school. The Responsible Behaviour Plan was revised so that it is now aligned with the School Wide Positive Behaviour System (SWPBS).

Malanda SHS is recognised as one of the highest performing schools in the state. Malanda SHS outperforms other schools in terms of:

- The percentage of students in the OP 1-5 and OP 1-15 range;
- The percentage of students receiving a QCE/QCIA;
- The percentage of students exiting Year 12 with a qualification; and
- NAPLAN results.

Future outlook

IMPROVEMENT PRIORITIES FOR 2015:

Improvement priority will be focused on quality teaching. Research clearly indicates that the student outcomes cannot extend beyond the capability of the teaching staff. Our school will continue to develop and improve the systems in place to provide the teaching expertise within the school.

Our school prides itself on the support for individual students. Our school has complex systems in place to ensure the wellbeing of each child is not left to chance. In 2015 we will be monitoring and reviewing our performance in this most important area of work.

The focus of 2015 is to ensure that all of the systems and structures implemented for the Year 7 Transition are reviewed to ensure that students have the best possible outcomes when they move to the High School.

Links with the Primary feeder schools will be strengthened further and the transition process for students into the High School will be broadened and deepened.

Our school at a glance

School Profile

Coeducational or single sex: Coeducational

Year levels offered in 2014: Year 7 - Year 12

Total student enrolments for this school:

	Total	Girls	Boys	Enrolment Continuity (Feb – Nov)
2012	316	175	141	87%
2013	325	171	154	90%
2014	329	163	166	90%

Student counts are based on the Census (August) enrolment collection.

Characteristics of the student body:

Students attend Malanda SHS from a variety of communities and towns that provide a diverse student population. Our student population includes international students who attend for short or extended stays, and Indigenous students comprise approximately 9% of the total school population. We have very few or no ESL students.

Average class sizes

Phase	Average Class Size		
	2012	2013	2014
Prep – Year 3			
Year 4 – Year 7 Primary			
Year 7 Secondary – Year 10	20	20	21
Year 11 – Year 12	15	16	15

School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2012	2013	2014*
Short Suspensions - 1 to 5 days	53	40	55
Long Suspensions - 6 to 20 days	4	5	0
Exclusions [#]	1	1	1
Cancellations of Enrolment	0	0	0

[#] Exclusion is an abbreviated title which reflects suspensions with recommendations for exclusion, which may result in an exclusion or be set aside through an appeals process.

* Caution should be used when comparing 2014 data with previous years SDA data as amendments to the disciplinary provisions in the Education (General Provisions) Act 2006, passed in late 2013, created a time series break.

Curriculum offerings

Our distinctive curriculum offerings

Malanda State High School offers a distinctive curriculum which focuses on choice and flexible learning pathways, as well as academic rigor. Our school offers:

Queensland Studies Authority subjects and VET Certificates;

School Based Apprenticeships and Traineeships;

Programs specific to each of the Junior and Senior Schools based on Malanda SHS's focus areas; and

Access to a number of RTO's and Online Learning courses.

Extra curricula activities

Malanda SHS offers a significant range of extra-curricular activities to cater for students' interests. Our school offers:

Cultural Activities: Cultural Evening; School Choir; Readers' Cup; Writing Camp; Music Camp; Drama workshops; Public performances by music students.

Sporting Activities: After school running club; a variety of team sports; lunch time sport competitions; school and interschool participation in athletics, swimming and cross-country.

Personal Development Activities: Year 12 Leadership Camp; Year 8 & 9 Activity days; Year 10 Career Development excursions; Cattle Handling Team; Lions Youth of the Year; Student Council and Leadership development; Year 12 JCU Experience; Skill streaming program.

How Information and Communication Technologies are used to assist learning

Computers are used in a variety of ways to assist learning. This includes the use of technology to:

- present lessons via use of laptops eg. Microsoft office package (Powerpoint and spreadsheets); Clickview, internet; and the Learning Place (curriculum sites/Learning Objects) and evaluate student performance (videoing presentations);
- develop research and presentation skills across the curriculum eg. Use of internet as source of research and then published as a Wiki or Powerpoint or word document;
- organize data using spreadsheets (Excel) and data bases;
- program for different purpose (eg. Lego for Robotics; Gamedesigner for developing computer games; Movie Maker and Premier Pro for video making/editing)
- Communicate throughout the school community – parents (email/newsletter, weekly news), students (posting assignments) and teachers (sharing resources).

Social Climate

Malanda State High promotes a safe and supportive atmosphere for all students. This is characterized by our Responsible Student Behaviour System, which reflects Education Queensland's Code of School

Behaviour (These documents can be accessed on our school website) and is based on the School Wide Positive Behaviour System. (SWPBS).

Being a small rural high school, a family atmosphere pervades our school with students from all year levels mixing freely in the playground as well as the classroom. A pastoral care program is evident across all year levels, through Home Groups. A School Based Youth Health Nurse and Youth Support Officer all play critical partnership roles within the school in supporting students across a range of needs at all year levels.

School Opinion Surveys always highlight that students feel very safe at our small by highly supportive rural high school.

Parent, student and staff satisfaction with the school

The overall satisfaction level of parents, students, and teachers in 2014 was very good. In particular, students believed they were getting a good education at Malanda SHS, and that teachers expect them to do their best.

Performance measure	2012	2013	2014
Percentage of parent/caregivers who agree [#] that:			
their child is getting a good education at school (S2016)	100%	89%	97%
this is a good school (S2035)	100%	83%	91%

staff are well supported at their school (S2075)		89%	83%
their school takes staff opinions seriously (S2076)		78%	80%
their school looks for ways to improve (S2077)		100%	98%
their school is well maintained (S2078)		97%	100%
their school gives them opportunities to do interesting things (S2079)		94%	100%

* Nationally agreed student and parent/caregiver items were incorporated in the School Opinion Survey in 2012.

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement. Due to a major redevelopment of the surveys (parent/caregiver and student in 2012; staff in 2013), comparisons with results from previous years are not recommended.

DW = Data withheld to ensure confidentiality.

Involving parents in their child's education

Parents and care givers are strongly encouraged to become involved in their child's learning, especially via the P & C Association which meets monthly through the school year. In 2015 our school will build a school council which will be comprising staff, students and parent representatives. This council will actively be engaged in setting the strategic direction for the school. Other opportunities for their involvement include:

- Curriculum Unit and Subject Selection Evenings and Interviews
- Induction Ceremonies
- Sports Carnivals

- ANZAC Day / Remembrance Day Ceremonies
- Camps and Excursions

Further, new forms of communicating with parents have been embedded over the last year, including a continual review and update of the school web page and a weekly email to parents from the Principal. Parents have stated the usefulness of weekly updates from the school occurring in a timely fashion.

Reducing the school's environmental footprint

In 2014 Malanda SHS was able to continue to moderate water and electricity consumption, leading to an ongoing reduction in our previously increasing environmental footprint. Water usage has almost halved since the previous period. The Solar Schools program continues, which has reduced our Electricity kWh consumption.

Years	Environmental footprint indicators	
	Electricity kWh	Water kL
2011-2012	229,994	4,017
2012-2013	205,546	2,682
2013-2014	186,556	0

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

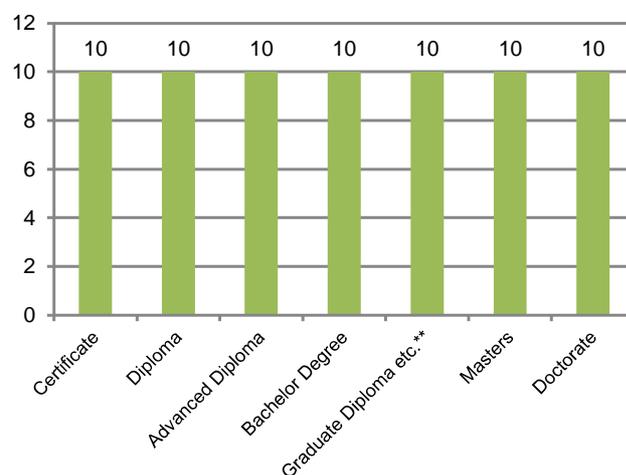

Our staff profile

Staff composition, including Indigenous staff

2014 Workforce Composition	Teaching Staff*	Non-teaching Staff	Indigenous Staff
Headcounts	30	23	<5
Full-time equivalents	28	16	<5

Qualification of all teachers

Highest level of attainment	Number of Teaching Staff *
Certificate	10
Diploma	10
Advanced Diploma	10
Bachelor Degree	10
Graduate Diploma etc.**	10
Masters	10
Doctorate	10
Total	70

*Teaching staff includes School Leaders

**Graduate Diploma etc. includes Graduate Diploma, Bachelor Honors Degree, and Graduate Certificate.

Expenditure on and teacher participation in professional development

The total funds expended on teacher professional development in 2014 were \$25055

The major professional development initiatives are as follows:

The major professional development initiatives are as follows:

1. Ongoing development of the National Curriculum
2. Further development of QSA subjects, policies and procedures
3. Teaching and Learning systems
4. Student Support systems
5. Ongoing ICT development
6. Beginning teachers conference
7. SWPBS workshops

The total funds expended on teacher professional development in 2013 were \$21,997.

The proportion of the teaching staff involved in professional development activities during 2012 was 100%.

The proportion of the teaching staff involved in professional development activities during 2013 was 100 %.

The proportion of the teaching staff involved in professional development activities during 2014 was 100%.

Average staff attendance	2012	2013	2014
Staff attendance for permanent and temporary staff and school leaders.	97%	98%	97%

Proportion of staff retained from the previous school year

From the end of the previous school year, 80% of staff was retained by the school for the entire 2014 school year.

Performance of our students

Key student outcomes

Student attendance	2012	2013	2014
The overall attendance rate for the students at this school (shown as a percentage).	90%	91%	92%

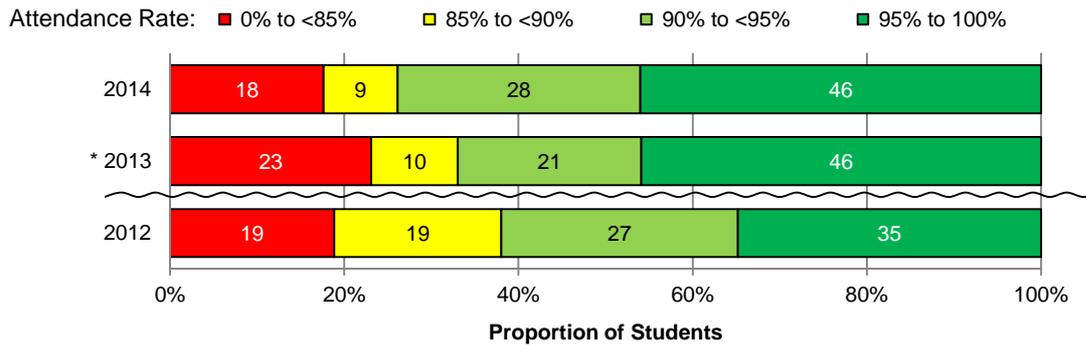

The overall attendance rate in 2014 for all Queensland Secondary schools was 89%.

Student attendance rate for each year level (shown as a percentage)												
	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2012								94%	88%	89%	89%	93%
2013								91%	93%	90%	89%	89%
2014								94%	91%	90%	89%	93%

DW = Data withheld to ensure confidentiality.

Student attendance distribution

The proportions of students by attendance range.

*The method for calculating attendance changed in 2013 – care should be taken when comparing data after 2012 to that of previous years.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DETE policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Malanda SHS continues to refine its attendance strategy. Procedures for maximising student attendance are based on research showing that four key areas improve attendance:

- Early intervention;
- School renewal/Community partnerships;
- Improving pedagogy and teaching;
- Specialised responses including alternative schooling and mentoring.

The procedures used at Malanda SHS in this regard include:

Regular Rolls marking;

Communication with parents daily to explain absences;

Early intervention strategies for at risk students;

Partnerships with external agencies to provide alternative schooling for disengaging students;

School renewal of student support services;

Cancellation of Enrolment process is activated for post-compulsory phase students whose absences indicate that they are not fully participating in the programme of study.

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7, and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.

Achievement – Closing the Gap

Closing the educational gap in outcomes between Indigenous and non-Indigenous students remains a significant priority for Malanda SHS. Retention, achievement and attendance rates for Indigenous students in 2014 remained relatively high. This area will remain a high priority.

Apparent retention rates Year 10 to Year 12	2012	2013	2014
Year 12 student enrolment as a percentage of the Year 10 student cohort.	56%	77%	77%

Outcomes for our Year 12 cohorts	2012	2013	2014
Number of students receiving a Senior Statement	40	58	41
Number of students awarded a Queensland Certificate of Individual Achievement.	4	1	2
Number of students receiving an Overall Position (OP)	23	35	18
Number of students who are completing/continuing a School-based Apprenticeship or Traineeship (SAT).	8	4	5
Number of students awarded one or more Vocational Educational Training (VET) qualifications (incl. SAT).	38	58	41
Number of students awarded an Australian Qualification Framework Certificate II or above.	29	50	30
Number of students awarded a Queensland Certificate of Education (QCE) at the end of Year 12.	36	56	39
Number of students awarded an International Baccalaureate Diploma (IBD).	0	0	0
Percentage of OP/IBD eligible students with OP 1-15 or an IBD.	87%	89%	100%
Percentage of Year 12 students who are completing or completed a SAT or were awarded one or more of the following: QCE, IBD, VET qualification.	98%	100%	100%
Percentage of Queensland Tertiary Admissions Centre (QTAC) applicants receiving an offer.	100%	100%	94%

As at 19 February 2015. The above values exclude VISA students.

Overall Position Bands (OP)

Number of students in each Band for OP 1 to 25

Years	OP 1-5	OP 6-10	OP 11-15	OP 16-20	OP 21-25
2012	5	4	11	3	0
2013	9	11	11	4	0
2014	5	7	6	0	0

As at 19 February 2015. The above values exclude VISA students.

Vocational Educational Training qualification (VET)

Number of students completing qualifications under Australian Qualification Framework (AQF)

Years	Certificate I	Certificate II	Certificate III or above
2012	37	29	5
2013	53	49	5
2014	36	29	4

As at 19 February 2015. The above values exclude VISA students.

Malanda SHS provides students in the Senior School (Years 10-12) the opportunity to choose the pathway that suits them and which is relevant to their future career. Students select either OP subjects, school based apprenticeships or traineeships, VET courses or a combination of these.

Post-school destination information

At the time of publishing this School Annual Report, the results of the 2014 post-school destinations survey, Next Step – Student Destination Report (2013 Year 12 cohort) for the school were not available. Information about these post-school destinations of our students will be uploaded to the school's website in September.

Early school leavers information

The destinations of young people who left the school in Years 10, 11 and prior to completing Year 12.

Following a generational rural trend for students to leave school prior to completing Year 12, our 'early leavers' data can be seen to be relatively high. Significantly however, the greater majority of these 'early leavers' achieve our 'Service Commitment' of leaving school and directly transitioning into employment or training. Malanda SHS has developed strong links with Vocational Partnerships Group (VPG) who assist students in transitioning into the workplace using Get Set for Work programmes and work experience placements.
