Purpose of the Scheme

1. In accordance with the Education (General Provisions) Act 2006, the cost of providing instruction, administration and facilities for the education of students enrolled at State schools who are Australian citizens or permanent residents, or children of Australian citizens or permanent residents, is met by the State.

2. Parents are directly responsible for providing textbooks and other personal resources for their children while attending school. In recognition that these costs can be high, the school operates a Student Resource Scheme (the "scheme") that enables a parent to enter into an agreement with the school that, for a specified annual participation fee, provides for the temporary use by the student of prescribed textbooks and/or other resources, and/or the supplemental resources and materials as indicated on the Participation Agreement Form, a fee will be due and payable by the parent for any items provided by the scheme to the student.

3. If a parent chooses to participate in the scheme and completes the Participation Agreement Form, a fee will be due and payable by the parent for any items provided by the scheme to the student.

4. The payment of the participation fee is a requirement for continued participation in the scheme. An unpaid fee will be subject to the school’s debt collection processes.

5. Any concessions given to the participation fee will be at the discretion of the Principal.

6. The Principal may refuse to admit a student to the scheme where the student has not returned the Participation Agreement Form or the signed form has been returned.

7. The scheme operates for the benefit of participating parents and is funded by the Queensland Government.

8. Assistance is provided in the form of a Textbook and Resource Allowance which is paid once a calendar year through the school. Parent will be responsible for the return of textbooks and resources issued to students whose parents choose not to participate in the scheme.

9. Parents are extended an invitation to attend this meeting and provided with an opportunity to express their opinions. A vote is taken at this meeting on supporting the operation of the scheme.

Textbook and Resource Allowance

10. The Queensland Government provides financial assistance to parents of students in Years 7 to 12 or of secondary education age, and saves the parent time and money in sourcing the prescribed materials elsewhere.

11. The completed and signed Participation Agreement Form should be returned to the school by the advertised date to indicate participation or non-participation in the scheme.

12. All textbooks and resources provided for temporary use by the scheme, when due for the earlier. Where an item is not returned, the parent will be responsible for the return of textbooks and/or resources, consumables and materials as indicated on the Year Level Requirements List and/or Subject Requirements List, to the Student Resource Scheme.

13. The operation of the Student Resource Scheme is discussed annually at a meeting of the Parents and Citizens’ Association. Parents are extended an invitation to attend this meeting and provided with an opportunity to express their opinions. A vote is taken at this meeting on supporting the operation of the scheme.

19. For payments made in person by cash, cheque or credit/debit card, a receipt will be provided to the payer. Where payments are received by other methods, a receipt will be provided on request. All receipts and documentation on the payment may result in debt recovery action being undertaken.

20. The onus of proof of being so affected is on the parent, and might include a current Health Care Card or other evidence to establish financial hardship.

21. Any concessions given to the participation fee will be at the discretion of the Principal.

22. Payment of the participation fee is to be made according to the payment arrangement option indicated by the parent on the Participation Agreement Form, or as otherwise approved by the Principal.

23. Non-payment of the participation fee by the designated payment date(s) will generate a reminder notice to the parent from the school at intervals of 30 days overdue and 60 days overdue. The Principal may thereafter undertake debt recovery action for the overdue participation fee including, where warranted, referral to an external debt collection agency. This may result in extra costs being incurred by the parent.

24. Without limiting any other action the Principal may take in accordance with these terms and conditions, subject to 26 above, the Principal may withdraw a student’s participation in the scheme due to non-payment of a participation fee, and/or may require the return of items provided by the school on a pro-rata basis.

26. The scheme provides the entire package for the specified participation fee, and is not available in parts unless specifically provided for by the school in the fee structure.

27. All textbooks and resources provided for temporary use by the scheme remain the property of the scheme and shall be returned at the end of the course or school year or when the student leaves the school, whichever is the earlier. Where an item is not returned, the parent will be responsible for the scheme of the replacement cost of the item. Failure to make payment may result in debt recovery action being undertaken.

28. Textbooks and other resources provided for temporary student use by the scheme shall be kept in good condition by the student. The school Administration Office shall be notified immediately of the loss or negligent damage to any issued item. Where an issued item is lost or negligently damaged, parents will be responsible for payment to the scheme of the replacement cost of the item. Failure to make payment may result in debt recovery action being undertaken.

29. The parent is responsible for supplying the student with any additional student materials that are not provided by the Student Resource Scheme, as indicated on the Year Level Requirements List and/or Subject Requirements List or otherwise advised by the school.

30. If a student enters the scheme after the first week of school, a pro-rata participation fee will apply, calculated on a 40-week school year basis.

31. If a student, having paid a participation fee, leaves the school through the school year, a pro-rata refund will be made to the parent, calculated on the participation fee paid, less the cost of consumed materials and the replacement cost of scheme items that are lost or negligently damaged or not returned, plus the pro-rata Textbook and Resource Allowance calculated on a 40-week school year basis.

32. As the scheme operates for the benefit of participating parents and is funded solely from participation fees provided by the school, the scheme will not be issued to students whose parents choose not to participate in the scheme.
