

# Stationery List 2024 – Year 9

All textbooks and most materials are supplied to students as part of the school's Student Resource Scheme. Students are required to supply their own stationery requisites and are responsible for replacing any lost or damaged textbooks or school materials. In certain subjects, students will take home finished products, and where a material cost has been incurred a subject charge applies. The costs for additional excursions may occur throughout the year for a variety of subjects and will be invoiced separately.
